

# Extend the Night Rider Bus to Casey

To the Honourable the President and Members of the Legislative Council  
Assembled in Parliament

The Petition of certain citizens of the State of Victoria draws to the attention of the Legislative Council that the Night Rider bus service does not service the City of Casey, the largest and fastest growing municipality in Victoria, and home to about 20,000 people aged between 18 and 25.

Your Petitioners therefore pray/request that a much greater amount of public transport be provided to the region generally, but particularly by way of adding a Night Rider route to service Casey as a matter of urgency.
